Aeris collection

designed by Morten Svendsen

AERIS Collection, Titan chair in oak natural oil.

The Aeris range of tables has an elegant and classic look with a modern touch of Danish simplicity. The floating top gives the table a light impression and enhances the design and beauty of the rounded, tapered solid legs and the attention to detail that they represent in themselves.

The Aeris range of sideboards, highboards and display cabinets are veneered with rounded solid edges with mitre joints and rounded, tapered solid legs. Doors and drawers are with nicely recessed oval handles.

All cabinets are also beautifully veneered at the back, which means they can be free standing.

Enjoy!
