

### Over 120 years of Gillies

We are an independent family run home furnishings business founded by James Gillies in 1895. Today we have 5 stores across Scotland and specialise in quality home furnishings, supplemented with core value ranges achieved through our bulk buying power. We are very proud of our heritage, and remain committed to continuing the same core values set out of over 120 years ago of personal service,

### From store to door...

We employ our experienced and skilled delivery teams who take great pleasure in delivering your new furniture to your home and placing it exactly where you want it. All packaging materials will also be removed, and recycled, so you can enjoy your new Gillies home straight away!

### Gillies has gone green!

Today it is more essential than ever that we look after our planet, that is why Gillies have invested heavily in solar panels, multiple packaging recycling machines, low-wattage energy efficient lighting, and ad-blue vehicles so that we do our bit to help reduce our carbon footprint.
